

Personal Care Advocacy

Call Dedicated Registered Nurses at 1-800-586-5386, ext. 5598

Every Price Chopper Teammate in an MVP health plan is assigned a Personal Care Advocate – a registered nurse in the MVP Care Advantage unit!

The MVP Care Advantage Program means that you have a health care professional dedicated to your needs. Your **Care Coordinator** is an RN whom you can call Monday through Friday, 8am to 5pm – with questions about your coverage, for doctor and hospital recommendations, for answers regarding simple health questions and almost anything related to your health insurance benefits.

Your **Care Coordinator** will answer basic health questions, direct you to programs (diet, exercise, disease management) that will enhance your health, assist you in finding specialists and other providers.

The telephone number to call is 1-800-586-5386 – then select option 3, extension 5598.

YOUR Care Coordinator Team:

Stephanie L. Adams, R.N.

Carrie Brosnan, R.N.

Linda Downing, R.N.

Our program assistant:

Deb Rahn

Don't forget, you have someone here to help you...just a phone call away.

*Also available to you is the after hours nurse triage line. Call 1-800-586-5386. Have your Price Chopper ID number handy and wait for the prompts.
